

Dear Community Partners,

The Library Association of Rockland County (LARC) supports and promotes public libraries and services to the residents of Rockland County. We are proud to announce a new literary award honoring the talent of Rockland residents.

As a community leader, we hope you will join our efforts to award local talent. By supporting the accomplishments and artistic endeavors of our residents, we will foster a sense of pride in our community.

We are relying on your generosity to make this award both exciting and fulfilling to the winning author. With your support, this award will truly honor our neighbors. We will announce the winner at our annual meeting in June 2018. We look forward to working with you to make this THE author award.

Thank you,

Veronica Reynolds
Coordinator of Community Relations
New City Library
